Click on profile in top banner.  
Click on Edit for Electronic Statements.

Check off the accounts that you want to get statement and notices and then click the Electronic Statement terms and conditions hyperlink.  
The Disclosure will pop up. On the very bottom page, it will give you a confirmation code. When you close the disclosure, you will need to click the disclosure check box and enter your code and save.  
(The code changes if you close before accepting and go into the disclosure again)
